CA CRV IN THE USA: IMPORTED BY OLE & OBRIGADO, NEW ROCHELLE, NY 10801

The volcanic island of Madeira emerged around 5.6 million years ago in the middle of the Atlantic Ocean. Over the centuries, it became an important stop on the maritime routes to the Americas and the Indies, serving as a point of supply and, often, a place where Madeira wines were taken on board. This Branco dos Villões brings together some of the grape varieties that contributed to that history: Sercial and Folgasão — also known as **Terrantez** in Madeira Wine. The name “Villões” comes from the nickname “Vilains” given by the people of neighboring island of Porto Santo to the inhabitants of Madeira. In return, Madeirans call the people of Porto Santo “Prophets”. This is the spirit behind the Profetas & Villões project: a celebration of the two islands, their history, their friendly rivalry and their wine identity. Nuno Faria, Madeiran and restaurateur, and António Maçanita, winemaker and explorer of extreme terroirs. Friends for more than 15 years, they have joined forces to celebrate and explore the potential of these enchanted islands.
