Fitapreta Touriga Vai Nua 2021

“The 2021 Touriga Vai Nua Signature Series is unoaked and comes in at 13.2% alcohol. Fruity and simply delicious, this is light and elegant, a ton of fun but a bit shy on structure. There's a nod to Beaujolais in this, in a relative sense, but it will be irresistible for what it is. It's a great summer red. Drink it young and enjoy its exuberance — Mark Squires”
